

COMPASS CAPITAL CORPORATION RELATIONSHIP SUMMARY DISCLOSURE

<p>What investment services and advice can you provide me?</p>	<p>Compass Capital Corp. (CCC) is registered with the SEC as an Investment Advisor only and is affiliated with parent company, Compass Holding Group Incorporated. It is important for the retail investor to understand the differences between Broker Dealer and Investment Advisory Services. Free and simple tools are available to research firms and financial professionals on the SEC’s investment education website (Investor.gov/sec). CCC provides investment supervisory services, also known as asset management services; furnishes investment advice through consultation and personal financial planning. Compass Capital Corp. is strictly a fee-only financial planning and investment management firm. Unlike Broker- Dealers firms, CCC does not receive commissions for purchasing or selling annuities, insurance, stocks, ETFS, bonds mutual funds, limited partnerships or other commissioned products. Investment advice is based on understanding specific client’s objectives and goals. CCC does not act as a custodian of client assets. The client always maintains asset control. CCC places trades for clients under a limited power of attorney. Periodic reviews are communicated to provide the specific courses of action that may need to be taken.</p>	<p>Conversation Starters.</p> <ul style="list-style-type: none"> <li>Given my financial situation, should I chose an investment advisory service?
